## Come in for Your Complimentary Consultation

- Free Pregnancy Testing
- Free Obstetric Ultrasounds
- Free Parenting Classes

If you have been confronted with an unexpected pregnancy, it may be of no surprise to you that your life has been changed no matter what you decide.

One of the most important things you can do is take time to explore your options. Don't feel you must do it alone. Pregnancy Care Clinic has friendly staff that will gladly help you sort out your feelings, emotions and share the facts you will need to know.

# Pregnancy Care Clinic

670 SE Midway Blvd  
Oak Harbor, WA 98277

## Free Confidential Services

The Pregnancy Care Clinic provides loving care in tangible ways for single women and families facing pregnancies.

### Pregnancy Services

- **Free Pregnancy Testing**
  - ☆ Walk-ins welcome
  - ☆ Same-day results
- **Verification of Pregnancy** - accepted by DSHS and WIC
- **Community Referrals**
- **Prenatal Vitamin Voucher**
- **Peer Counseling**
- **Ultrasound Service**

Free obstetric ultrasounds are available for those who meet medical guidelines. Ultrasounds performed by a licensed RN can verify the viability of a pregnancy & gestational development.

All Services are  
Confidential &  
FREE!

*Every woman has the right to caring personalized support and education when considering her options. The PCC provides a safe place for a woman to address her own specific needs and concerns. PCC does not provide nor refer for abortions. The PCC is a non-profit Christian organization. All services are free and confidential.*

### Other Services

#### Earn While You Learn

EWYL teaches a variety of topics including:

- Pregnancy care
- Infant care and development
- Child care and development
- Parenting Skills

Participants who qualify can earn a **FREE** crib or car seat along with **Boutique Bucks** to shop in the Mommy and Me Boutique!

#### Post-Abortion Counseling & Education

PACE is available for those experiencing difficulty following an abortion. This program is provided in a safe and confidential setting for those who wish to work through their emotions and find healing.

#### Relationship Series

The "Who's Writing Your Love Story?" group course provides the tools and education needed for young unmarried women to develop healthy relationships.
